Re: *United States of America, ex rel. Patrick Donohue v. Carranza, et al*
1:20-cv-05396 (GHW)(SDA)

Dear Honorable Aaron,

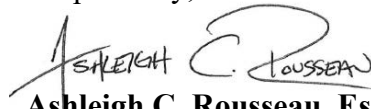

As you may recall, the undersigned represents the Plaintiff Relator in the above-referenced action.

On April 4, 2022, Plaintiff was to submit an opposition to Defendant Wake County Public School District's Motion to Dismiss. I am currently out of the state to attend to a family emergency and subsequently missed the deadline for Plaintiff's opposition. I was alerted today by a colleague that the deadline was missed, and that Your Honor required a response. I promptly called Chambers and left a message that the undersigned would be submitting a written request for an extension for Plaintiff's Opposition.

In light of the current circumstances, Plaintiff respectfully requests an extension until April 15, 2022, so that Plaintiff may submit an opposition to Defendant Wake County's Motion to Dismiss. I sincerely apologize for the oversight and untimeliness of Plaintiff's request.

Thank you for your attention and courtesies herein.

Respectfully,

A handwritten signature in black ink, appearing to read "ASHLEIGH C. ROUSSEAU".
